

# FREE PHYSICAL NIGHT AT LEGACY

Monday, May 22<sup>nd</sup>

6:00pm-8:00pm

The Sports Medicine physicians and team from **Orlando Health** will be here offering their services. The Legacy coaching staff will be here as well with sport specific information(calendars, game schedules, etc.) and to answer any questions you may have for them.

This is a great opportunity for student athletes(including our elementary/middle school teams) to get their paperwork and physical all taken care of for the 2017-2018 season and to ensure there will be no lapse in eligibility. The physicals will be free but there will be an opportunity to give a donation to support the athletic program if you wish.

To speed things up on the 22<sup>nd</sup>, you can print the forms and fill out your sections before coming if you would like. You will need the EL2 and EL3, and they are found at:
