

Dear Senior and Senior Parents,

At our meeting last night, the seniors and their parents, decided that this year's senior trip will be to New York City. The current plan is for the trip to last 5 days and cost up to \$1200. Mrs. Guthrie will be the other school appointed chaperone going with us this year.

Since the cost of the trip is conditional on getting the best prices on airfares and hotels, we must ask you all to make a commitment to the trip. No one is required to go on the senior trip; however, previously the students have had an awesome. I do ask that you fill out the Commitment Form. It is important, if you are going, that you provide me with an e-mail address. This is the most effective means of communication, since I do not see most of you.

If I have not received \$350 from you by November 18th, you will not be included in the Senior Trip. I will book our air transportation and hotel accommodations shortly after this date. Once I do this, the \$350 will NOT be refunded. All prices are based on the total number of people going on the trip. Any money raised through fundraising is non-refundable, it must be used for the Senior Trip. Any money that was "out of pocket" may be returned.

A payment plan is provided to help pay for some items (airfare, hotel deposit, etc.) that have to be pre-paid and to insure that you do not have a large sum due in May. Any fundraising funds will be applied to the senior trip. If the fundraising funds are not sufficient, then you will need to provide the additional funds. Fundraising funds will be used to pay for items first.

Fundraising funds will be distributed according to how much the senior worked for that particular fundraising activity. The more one does, the more one receives. If parents are going, they may participate in fundraising activities, but they will only receive funds for individual activities, not group activities.

Sincerely,

David Hill

I would like to accompany my senior on their senior trip. I realize that this is at my own expense and that the fundraisers are intended to benefit the seniors, not me. If there is an individual fundraising event, then I can participate and have the raised funds be counted towards my account for the senior trip. Additionally, I agree to abide completely by the school rules and policies while on the trip and will fully support the school leaders that have been put in place by the Legacy High School administration. I agree to a background check.
